Dear Sir *Sony*

Please find enclosed a project-funding request for the Portsmouth Angler's Club and the Great Bridge Angler's Club for continued funding of the Sunshine Program. I will do the presentation of the project to the board. I will remain the Project Coordinator and the Director of the Portsmouth Sunshine Program for 2006. This project is an extension and continuance of the Sunshine Project started 26 years ago and funded several years by the Board.

We desire that this program be conducted This year in the July-August time frame It should be noted that in the last year funded we brought this project in at below budget because of both donations and reductions in costs.
